SN 350	25		Sacramento Northern	1925	Construct new terminal station building and trackage in north half of block bounded by 11th and 12th, H and I Sts.	California. Sacramento County. Sacramento
SN 9	26		Sacramento Northern	1926	Install magnetic wig-wag flagmen warning signals at NE corner of 8th and I and NW corner of 15th and I Streets	California. Sacramento County. Sacramento
SN 3	29		Sacramento Northern	1929	Ballast and electrify westerly 2500 feet of main Reed Spur and 1550 feet of other trackage, and construct new spur serving J. U. Pearson	California. Yuba County. Pearson, Reed
13	30		Sacramento Northern	1930	Construct 1500-foot passing track	California. Sutter County. Pease
SN 10	30		Sacramento Northern	1930	Construct team track and driveway	California. Sacramento County. Sacramento
SN 35	30		Sacramento Northern	1930	Retire and remove feeder cables in Marysville	California. Yuba County. Marysville
SN 81	30		Sacramento Northern	1930	Retirement of wig-wags at various locations in Sacramento	California. Sacramento County. Sacramento
SN 9 2353	30		Sacramento Northern	1930	Overhead at Pearson team tracks	California. Yuba County. Pearson
SN 22	31		Sacramento Northern	1931	Install interlocking devices at M Street Bridge to comply with GO 33-A	California. Sacramento County, Yolo County. Sacramento, West Sacramento
SN 24	31		Sacramento Northern	1931	Replace 1.82 miles of third rail with overhead trolley between B Street subway and point 800 feet east of American River bridge	California. Sacramento County. Sacramento
SN 26	31		Sacramento Northern	1931	Install underground feeders on Fourth St. to replace overhead cables	California. Yuba County. Marysville
SN 6	30		Sacramento Northern	1931	Install electrically operated automatic interlocking plant and retire manual Saxby & Farmer interlocking plant	California. Sutter County. Live Oak
SN 60B	31		Sacramento Northern	1931	Proposed relocation and revision of CCT and WP interchange trackage in downtown Sacramento	California. Sacramento County. Sacramento
SN 3	39		Sacramento Northern	1939	Retirement of tracks and overhead at Meinert	California. Contra Costa County. Meinert
SN 1	43		Sacramento Northern	1943	Retire overhead and bonding in Marysville	California. Yuba County. Marysville
SN 29	44		Sacramento Northern	1944	Retire entire electrical distribution system and third rail between Globe and Arboga account permanent conversion to diesel operation	California. Sacramento County, Sutter County, Yuba County. Globe, Nicolaus, Arboga.
SN 19	46		Sacramento Northern	1946	Install gasoline generator on Meridian bridge	California. Sutter County. Meridian
SN 25	51		Sacramento Northern	1951	Retire overhead on Marysville spur tracks	California. Yuba County. Marysville
SN 59	51		Sacramento Northern	1951	Recondition portable substation at WP shops	California
7	70	2369	Sacramento Northern	1970	Equipment diesel locomotives SN 301A, D for radios, see SN Shannon file	
115	70	2385	Sacramento Northern	1970	Retire locos. WP 562-584 in trade for SN 303 (926-A)	
67	71	2408	Sacramento Northern	1971	Retire locomotives WP 711- 712 to be traded to Sacramento Northern Railway for SN 301-A and SN 301-D, which are to be sold	
34			Western Pacific	1910	Proposed spurs for Oakland Brick Company	California. Alameda County. Oakland
217			Western Pacific	1910	Construct additional yard tracks at engine terminal	California. Alameda County. Oakland
593			Western Pacific	1911	Construct 300-ft spur to serve W. H. Donahue at Third and Webster	California. Alameda County. Oakland
605			Western Pacific	1911	Extend team track on Third St.	California. Alameda County. Oakland
648			Western Pacific	1911	Construct spur track serving California Fruit Cannery Assoc.	California. Alameda County. Oakland
668			Western Pacific	1911	Construct 400-ft spur track to serve Utah Fuel Co. between Oak and Madison Sts.	California. Alameda County. Oakland
723			Western Pacific	1911	Construct warehouse at Palermo	California. Butte County. Palermo
64			Western Pacific	1912	Construct passenger shelter with enclosed freight room	California. Alameda County. Sorenson
802			Western Pacific	1912	Construct 270-ft spur track to serve Cobbledick Glass Company at Third and Washington Sts.	California. Alameda County. Oakland
817			Western Pacific	1912	Construct spur track serving California Cotton Mills at 22nd and Livingston Sts.	California. Alameda County. Oakland

AFE number	AFE number pt 2	CMO number	Corporate name	Earliest date	Title	Geographic location
982			Western Pacific	1912	Additional water tank at Jeffery Shops	California. Sacramento County. Sacramento
42			Western Pacific	1913	Cost to construct tracks Jeffery Shops	California. Sacramento County. Sacramento
42			Western Pacific	1913	Additional yard tracks at Jeffery Shops	California. Sacramento County. Sacramento
92			Western Pacific	1913	Construct depot, house track, addition to freight shed	California. Sacramento County. Glannvale
119			Western Pacific	1913	Install deep well pump at Jeffery Shops	California. Sacramento County. Sacramento
788			Western Pacific	1913	Bradford Winery spur pit guards	California. Sacramento County. Cerro [renamed Glannvale] Station between Sacramento and Stockton
896			Western Pacific	1913	Construct 2260-ft spur track to serve C. A. Smith Lumber Co. and wharf near engine terminal	California. Alameda County. Oakland
---			Western Pacific	1913	Team track and stock yards at Jeffery Shops	California. Sacramento County. Sacramento
133			Western Pacific	1914	Pave Myers St in Oroville	California. Butte County. Oroville
945			Western Pacific	1914	Construction of team track Jeffery Shops	California. Sacramento County. Sacramento
1023			Western Pacific	1914	Construct spur track to serve Fuller & Co at Third and Jackson Sts.	California. Alameda County. Oakland
1054			Western Pacific	1914	Albert spur MP 127	California. Sacramento County.
67			Western Pacific	1915	Construct 420-ft extension to track serving Howard Co. and relocate SP interchange track at 1st and Linden Sts.	California. Alameda County. Oakland
83			Western Pacific	1915	Construct spur track serving Remillard Co.	California. Alameda County. Oakland
110			Western Pacific	1916	Construct sidewalks on 19th St. in Sacramento	California. Sacramento County. Sacramento
114			Western Pacific	1916	Construct box drains at Jeffery Shops	California. Sacramento County. Sacramento
122			Western Pacific	1916	Purchase portable welding outfit for Jeffery Shops	California. Sacramento County. Sacramento
159			Western Pacific	1916	Install sewer pipe at Jeffery Shops	California. Sacramento County. Sacramento
173			Western Pacific	1916	Construct spur track to scrap bins at Jeffery Shops	California. Sacramento County. Sacramento
73			Western Pacific	1917	Bulkhead at Oakland Mole	California. Alameda County. Oakland Mole
113			Western Pacific	1917	Construct spur tracks for Mallet engines at Jeffery Shops	California. Sacramento County. Sacramento
G 26			Western Pacific	1917	Complete work to depot and oil house	California. XX County. Paxton
1			Western Pacific	1918	Spur for B&B storage yard	California. Sacramento County. Sacramento
22			Western Pacific	1918	Install resaw plant for timber preparation at Jeffery Shops	California. Sacramento County. Sacramento
A 18			Western Pacific	1918	Replace pile bridges with reinforced concrete boxes and fill MP 82.42 and 87.32	California. San Joaquin County
A 4			Western Pacific	1918	Construct two yard tracks	California. San Joaquin County. Stockton
A 6			Western Pacific	1918	Replace frame trestle and 65 ft. steel deck girder with 12' x 12' drainage tunnel through rock and fill	California. Butte County. Blinzig
A 7			Western Pacific	1918	Replace frame trestle and 60 ft. deck plate girder with 8 x 8' reinforced concrete culvert and 10' x 10' subway and fill. Length of trestle 330' height 45' on 8' cum. MP 255.75	California. Plumas County
B 13			Western Pacific	1918	Replace 8 span double track bridge MP 178.59 over 5th St. Marysville	California. Yuba County. Marysville
B 2			Western Pacific	1918	Replace 38 spans on pile trestle over Yuba River with 7 2nd hand 80' through plate girders on concrete	California. Nevada-Yuba Counties. Yuba River
B 3			Western Pacific	1918	Placing 2250 ft. of concrete permanent lining at various points in tunnels to replace balance of timber lining now in tunnel. Also replacing present timber portals with concrete	California. Plumas County. Spring Garden
G 10			Western Pacific	1918	Replace wood culvert with corrugated iron	California. Alameda County. Niles
G 22			Western Pacific	1918	Replace pile bridges with concrete culverts, MP 308	California
G 25			Western Pacific	1918	Construct connecting track to SP main line at Chestnut Jct. located at First and Chestnut Sts.	California. Alameda County. Oakland
G 32			Western Pacific	1918	Construct spur track to Robinson Hardware	California. Alameda County. Oakland

AFE number	AFE number pt 2	CMO number	Corporate name	Earliest date	Title	Geographic location
G 33			Western Pacific	1918	Move semaphore signals at R Street tower	California. Sacramento County. Sacramento
G 34			Western Pacific	1918	Purchase fire extinguishers	California. San Francisco County. San Francisco
G 36			Western Pacific	1918	Extension to scale track	California. Alameda County. Oakland
G 37			Western Pacific	1918	Construct spur track for DLG Co.	California. Plumas County. Quincy Junction
G 40			Western Pacific	1918	Replace deep well pump	California. Lassen County. Calneva
G 41			Western Pacific	1918	Fill bridge over Miners Channel	California. San Joaquin County. Stockton
G 42			Western Pacific	1918	Construct spur to Massack Timber & Lumber Co.	California. Plumas County. Massack
G 45			Western Pacific	1918	Addition to stock chutes	California. Sacramento County. Del Paso
G 8			Western Pacific	1918	Install catch basin at 4th & Madison	California. Alameda County. Oakland
67			Western Pacific	1919	Construct spur track across Alice St. for new industries	California. Alameda County. Oakland
A 11			Western Pacific	1919	Replace frame trestle and 50 ft deck plate girder with 12' x 12' reinforced concrete culvert and 20' x 14' subway and fill MP 293.71 length 215' height 42'	California. Plumas County
A 16			Western Pacific	1919	Supplemental AFE to AFE B 3 necessary to finish concreting tunnel 35: placing 600 ft. concrete permanent lining various points in tunnel to replace timber lining	California. Plumas County. Spring Garden
A 8			Western Pacific	1919	Replace frame trestle with plate deck bridge	California. Plumas County. Rich
A 9			Western Pacific	1919	Replacing timber cribs with reinforced concrete retaining wall. MP 251.43 and 252.25	California. Plumas County
B 1			Western Pacific	1919	Replace 24 span frame trestle with steel girder viaduct on concrete pedestals and reinforced concrete abutments. Trestle 369 ft. long 73 ft. high viaduct will be 335 ft. long. MP 53.40	California. Alameda County. Near Altamont
B 15			Western Pacific	1919	Reprap fill near Mabie	California. Plumas County
G 17			Western Pacific	1919	Improve 20th St between T and R	California. Sacramento County. Sacramento
G 31			Western Pacific	1919	Addition to stock yard	California. Lassen County. Constantia
G 38			Western Pacific	1919	Construct cattle guard	California. Lassen County. Reno Junction
G 43			Western Pacific	1919	Fill pile trestle MP 4.63	California. Alameda County. Oakland
16			Western Pacific	1920	New well and pump	California. Butte County. Oroville
20			Western Pacific	1920	Additions to Jeffery Shops in Sacramento	California. Sacramento County. Sacramento
22			Western Pacific	1920	provide fence, mill building, resaw plant, cement and tool house Jeffery Shops	California. Sacramento County. Sacramento
58			Western Pacific	1920	Improve right of way on South Hunter St. in Stockton	California. San Joaquin County. Stockton
60			Western Pacific	1920	Throwing 400 ft. of track 14 at Jeffery Shops to make serve annealing furnace	California. Sacramento County. Sacramento
122			Western Pacific	1920	Install sidewalks, curbs, gutters, etc. at Myers and High Sts.	California. Butte County. Oroville
145			Western Pacific	1920	Industry spur south of Mormon Channel. Superceded by AFE B 11	California. San Joaquin County. Stockton
207			Western Pacific	1920	Replace timber portal and lining with concrete tunnel 1	California. Alameda County. Niles
--			Western Pacific	1920	Throw 1000 ft. of track 14 and all of track 21 and lay 750 ft. spur Jeffery Shops	California. Sacramento County. Sacramento
G 15			Western Pacific	1920	Construct spur tracks to Stockton Woolen Mills	California. San Joaquin County. Stockton
G 5			Western Pacific	1920	Caboose track	California. Plumas County. Portola
G 50			Western Pacific	1920	Construct 372 ft. spur to serve Durham, Carrigan, and Hayden	California. San Francisco County. San Francisco
O 5			Western Pacific	1920	Replacing built-up tee rail crossing	California. Yuba County. Binney Junction
T 24			Western Pacific	1920	Bond second rail in A&SJ leased line on Hunter St., Stockton, between South and 8th Streets	California. San Joaquin County. Stockton
T 25			Western Pacific	1920	Replace frame abutments and bents in bridge 25.49 crossing main irrigation ditch, with concrete construction	California

AFE number	AFE number pt 2	CMO number	Corporate name	Earliest date	Title	Geographic location
T 26			Western Pacific	1920	Shift 450 ft of main line at Manteca and construct 360 ft. house track, which will also serve packing shed and as team track	California. San Joaquin County. Manteca
T 27			Western Pacific	1920	Purchasing 60 ton electric locomotive from General Electric Company as per contract dated November 1, 1920	California
18	21		Western Pacific	1921	Construct 320-ft spur track to serve new Campodonise packing shed	California. San Joaquin County. Stockton
18	21		Western Pacific	1921	Retiring buildings at 619, 633, 639, 645 South Monroe St., 601 and 610 Van Buren St., Stockton, Cal., sold to P. Mignacco and Geo. O'Neal	California. San Joaquin County. Stockton
38	21		Western Pacific	1921	Improvements to Montgomery St.	California. Butte County. Oroville
40	21		Western Pacific	1921	Constructing concrete sidewalks in front of Lots 9 and 11	California
47	21		Western Pacific	1921	Modifications to Keating spur at Q and R Sts. in Sacramento	California. Sacramento County. Sacramento
59	21		Western Pacific	1921	Constructing 500 foot extension to ice unloading spur for Pacific Fruit Express, Jeffery Shops	California. Sacramento County. Sacramento
64	21		Western Pacific	1921	Replace 160 track feet of 56-1/2" rail, in track serving oil crane, with second hand 85# rail	California. San Joaquin County. Stockton
80	21		Western Pacific	1921	Construct spur track to serve Union Street Lumber Co.	California. San Joaquin County. Stockton
81	21		Western Pacific	1921	Replacing 373 tunnel feet of timbering in tunnel #4 with concrete, MP 207	
84	21		Western Pacific	1921	Purchasing and installing one Byron Jackson deep well turbine pump, with motor and electric float switch and automatic oiler complete at round house, capacity 800 gallons per minute	California. San Joaquin County. Stockton
106	21		Western Pacific	1921	Construct 427.5 spur track of track # 14 leading to transfer table at Jeffery Shops	California. Sacramento County. Sacramento
106	21		Western Pacific	1921	Spur leading to transfer table	California. Sacramento County. Sacramento
T 28			Western Pacific	1921	Payment to A.A. Schoonover and wife for leveling land in lieu of construction of syphon under our track near Central	California. Yolo County
T 29			Western Pacific	1921	Constructing a combination packing shed, freight house, agent's office, waiting room, and platform	California. San Joaquin County. Manteca
TC 2			Western Pacific	1921	Take up and retire from service 360 ft. spur at Louise Ave. MP 3.5431 Manteca Branch	California. San Joaquin County
1	22		Western Pacific	1922	Constructing a 50' x 50' fruit warehouse, near freight shed	California. Sacramento County. Sacramento
2	22		Western Pacific	1922	Dismantling corrugated iron powder magazine constructed under AFE 718 January 1912	California. Butte County. Pulga (Big Bar)
3	22		Western Pacific	1922	Taking down the frame combination passenger and freight depot and platform at Decoto for shipment to Irvington on San Jose Branch, and retire same from capital account	California. Alameda County. Decoto
4	22		Western Pacific	1922	Constructing living quarters to replace living quarters destroyed by fire Sep. 20, 1921	California. Lassen County. Doyle
5	22		Western Pacific	1922	Installing direct connected submerged pump to automatically handle seepage and flood water in basement of freight office at 8th and Brannan Streets	California. San Francisco County. San Francisco
6	22		Western Pacific	1922	Retiring house at 419 North Union St., sold to P. Mignacco and Pairano; also house at 520 West Church St. sold to T. Fitzgerald	California. San Joaquin County. Stockton
10	22		Western Pacific	1922	Taking up and retiring 210 foot ice unloading spur, constructed under AFE 59 21 in September 1921 to serve the Pacific Fruit Express Company, Jeffery Shops	California. Sacramento County. Sacramento

AFE number	AFE number pt 2	CMO number	Corporate name	Earliest date	Title	Geographic location
11	22		Western Pacific	1922	Constructing second siding 3060 feet long, south of present siding and demolish present temporary stock yards and construct standard two pen yard and chute	California. Plumas County. Spring Garden
12	22		Western Pacific	1922	Replacing timber box culverts with corrugated Armco iron culverts and rock head walls. MP 303, 305, 306	California. Plumas County
13	22		Western Pacific	1922	Retire 324-ft connecting track to SP main line at Chestnut Jct. located at 1st and Chestnut Sts.	California. Alameda County. Oakland
14	22		Western Pacific	1922	Replacing present structure with 1 210 foot swing span, and 1 80 foot and 1 100 foot thro plate girder approach, on new concrete abutments. Center pier to be built up and reinforced with steel grillage. MP 80.28	California. San Joaquin County
15	22		Western Pacific	1922	Reconstructing "balloon track" in new location, etc.	California. Alameda County. Oakland
25	22		Western Pacific	1922	Spur to serve Florin Fruit Grower's Association	California. Sacramento County. Cordova
26	22		Western Pacific	1922	Replacing concrete pipe culverts with corrugated Armco iron pipe culverts and rock head walls. MP 12, MP 38	California. Alameda County
27	22		Western Pacific	1922	Replacing timber box culverts with corrugated Armco iron pipe culverts and rock head walls. MP 291 - MP 320	California. Plumas County
28	22		Western Pacific	1922	Replacing timber box culverts with corrugated Armco iron pipe culverts and rock head walls. MP 322 - MP 362	California. Lassen County
29	22		Western Pacific	1922	Replacing timber box culverts with corrugated Armco iron pipe culverts and rock head walls. MP 386 - MP 392	California. Nevada County
30	22		Western Pacific	1922	Replace log cribs with concrete retaining walls. MP 228.90; MP 250.50; MP 261.60; P 276.30; MP 277.90	California. Butte County. California. Plumas County
37	22		Western Pacific	1922	Replacing log crib with concrete retaining wall. MP 252.5 (near Tobin)	California. Plumas County
38	22		Western Pacific	1922	Build 100 foot extension of car repairer's shed at Jeffery Shops	California. Sacramento County. Sacramento
39	22		Western Pacific	1922	Replace 8 timber pits with reinforced concrete on piling in roundhouse	California. Alameda County. Oakland
43	22		Western Pacific	1922	Move 500+ feet of old balloon track to serve Borrmann warehouse	California. Alameda County. Oakland
46	22		Western Pacific	1922	Raising present proposed grade on the new bridge to be built over San Joaquin River. This is in addition to amount covered by AFE 14 22, approved Mar.. 15, 1922. MP 80.28	California. San Joaquin County
47	22		Western Pacific	1922	Extend team track between Alice & Harrison Oakland to Harrison St.	California. Alameda County. Oakland
52	22		Western Pacific	1922	Installing tie plates on girder spans of bridges 177.80 and 178.18, near Marysville	California. Yuba County
54	22		Western Pacific	1922	Paying all outstanding judgments and claims against packing shed etc., making repairs and improvements to building, and removing drying equipment	California. San Joaquin County Brack
62	22		Western Pacific	1922	Retire 300 ft. timber bulkhead and construct concrete seawall	California. San Joaquin County. Stockton
65	22		Western Pacific	1922	Replacing timber footings with concrete under posts in existing car repair shed Jeffery Shops	California. Sacramento County. Sacramento
71	21		Western Pacific	1922	Construct 450-ft spur track to serve new team track between 19th and 20th Sts.	California. Alameda County. Fruitvale
74	22		Western Pacific	1922	Purchasing paint spray and sand blast equipment, consisting of portable gasoline driven compressor, Dunn paint spray machine, sand blast machine, with fittings, hose and accessories	California

AFE number	AFE number pt 2	CMO number	Corporate name	Earliest date	Title	Geographic location
77	22		Western Pacific	1922	Retiring 800 ft. pile trestle 178.18 crossing Yuba River near Marysville, Calif., and constructing 400 ft. embankment and 40 ft. steel girder bridge	California. Yuba County. Marysville
78	22		Western Pacific	1922	Building 22' x 25' extension to freight room, on existing platform, same construction as old building	California. San Joaquin County. Kingdon
79	22		Western Pacific	1922	Replacing 5' x 6' water tunnel with 134 ft. #10 gauge, 60" Nestable Armco corrugated iron pipe and rock head walls. MP 251 - MP 252	California. Plumas County
85	22		Western Pacific	1922	Replacing old toilets in round house and coach yard with up-to-date equipment	California. Alameda County. Oakland
86	22		Western Pacific	1922	Replacing log crib with concrete retaining wall. MP 299 between Spring Garden and Sloat	California. Plumas County
91	22		Western Pacific	1922	Constructing building 12' x 16', installing toilets, etc. and making connection with city sewer, at roundhouse	California. San Joaquin County. Stockton
99	22		Western Pacific	1922	Constructing wye track, yard tracks, interchange tracks, and connection with Portland Cement Company's track; also replacing leads to existing turntable layout	Nevada. Washoe County. Gerlach
102	22		Western Pacific	1922	Constructing 168 lin. ft. of 3' x 3' concrete box sewer under W.P. tracks on Jackson St.	California. Alameda County. Hayward
103	22		Western Pacific	1922	Replacing timber box culvert with corrugated Armco iron culverts and rock head walls	Nevada. Washoe County
104	22		Western Pacific	1922	Build 16' x 38' extension to station platform	California. Sacramento County. Franklin
107	22		Western Pacific	1922	Construct cross-over between line 53rd and West Line 54th Ave., 202 lin. ft.	California. Alameda County. Melrose
127	22		Western Pacific	1922	Installing corrugated iron pipe culverts, on Calpine Branch. MP 3 - MP 11	California. Alameda County
129	22		Western Pacific	1922	Purchasing and installing water meter and valves in water line, at engine terminal	California. Alameda County. Oakland
148	22		Western Pacific	1922	Constructing 1082.5 foot spur track to serve F.W. Bilger, and others	California. Alameda County. Altamont
159	22		Western Pacific	1922	Rebuilding depot and fuel house destroyed by fire September 3, 1922, at Quincy Junction, Calif.	California. Plumas County. Quincy Junction
			Western Pacific	1922	Repair water lines in Oakland	California. Alameda County. Oakland
			Western Pacific	1922	Rebuild Stockton freight house on account of fire	California. San Joaquin County. Stockton
1	23		Western Pacific	1923	Installing boiler No. 26 at Stockton	California. San Joaquin County. Stockton
2	23		Western Pacific	1923	Excavating ground for additional yard room with interchange between the Hutchison Lumber Company and the Western Pacific Railroad	California. Butte County. Bidwell
4	23		Western Pacific	1923	Demolish and retire stock yards at Calneva	California. Lassen County. Calneva
